

REMARKS

The United States Patent Office has already accepted the foregoing claim of priority as evidenced by the filing receipt. Moreover, the claim of priority was made at the time the application was filed in the Utility Patent Application Transmittal form.

If there are any additional charges in connection with this requested amendment, the Examiner is authorized to charge applicant's Deposit Account No. 12-1095 therefor.

Dated: March 19, 2004

Respectfully submitted,

By
